THE ANCIENT CLASSIC · ANNOTATED EDITION

Yield and overcome.
Be still and know.
Let things flow.

For more than two thousand years, eighty-one short chapters have taught readers how water wears down stone, why the softest things overcome the hardest, and how a person can act without forcing. The Tao Te Ching is one of the most translated books in the world.

This beautifully designed annotated edition presents the complete text in James Legge's classic translation and adds what today's reader needs: a clear guide to Taoist ideas, a plain-language note and a small practice for every chapter, and a guided 30-day practice.

- All 81 chapters, James Legge translation
- A plain-language note on every chapter
- A small practice and a key line for every chapter
- A guided 30-day practice with space to write
- Taoism in brief, a glossary and a Quick Finder

"The soft overcomes the hard,
