THE 1928 CLASSIC · ANNOTATED EDITION

Speak it.
Believe it.
Watch it unfold.

In 1928, the New York artist and teacher Florence Scovel Shinn gathered the words that had changed her students' lives: short, joyful, fearless affirmations for success, love, money, forgiveness, guidance and health.

Almost a century later, her little book still speaks. This annotated edition keeps every word of the original and adds what today's reader needs to put it into practice.

- The complete original text of 1928
- A reflection and a practice after every chapter
- A guided 30-day affirmation practice with journal space
- An Affirmation Finder for everyday situations
- Her life story and the world of New Thought
